

Assignment 2: Creating Your Website Peer Review

Task

Pair up with a partner sitting next to you (ask instructor if you need help,) and complete the follow peer review worksheet on your computer. Print one copy for the instructor and one for your peer!

Due Date: At the End of Class Today

Questions

WRITING COMPONENT

Does the genre fit the story being told? Does it make sense? What could make it better?

Did you learn something new about your peer? What the piece interesting? What improvements could of been made? What did you wish you could of learned?

Are there any sentences that are your favorite? What makes them so great?

Note any grammatical errors or parts that are confusing.

Note any parts that could use improvement.

CODE

Does the code make sense? It is logical? Could it be condensed in any way?

Does the code properly include both CSS and HTML? Is the CSS stylesheet correctly linked to the HTML sheet?

Does the CSS code present the content in the nice, aesthetically pleasing design?

What parts of the code did you find the most interesting? Did you learn anything new?

Do you have any suggestions? Any code that you would like to see incorporated?
